2	The reasons for the selection of the candidate. Selection shall be with reference to the qualifications, achievements and merit of the candidate, and not mere "winnability" at the polls (not more than 100 words)				Prominent leader of backward community. The candidate has a long and distinct political and social track record. Leading figure Party activities.			
3	Reasons as to why other individuals without criminal antecedents could not be selected as candidates (not more than 100 words)				As a senior party worker, he had an edge over other individuals and considering the fact that whatever charges are alleged in the first information statement or in the charge sheet have no substance and are purely with a vindictive approach and personal vendetta being waged by his political enemies. The case is long pending and party believes that there will be no adverse outcome against the alleged accused.
